Notable features:

For photo of side of number 100, see sheet for lots (24-16), 903-919 W. Lombard Street. Number 100 is a drugstore, heavily formstoned, modern shop front. Numbers 108-112 are lower, 2½ story gabled roof, possibly earlier than 106-102 which are taller 2½ story, gables with segmental arches over their doorways. Numbers 100 and 114 are 3-story with flat roofs. There are sallyports between 114 and 112, and between 108 and 110. Numbers 100, 102 and 114 have been formstoned.

Environmental context:

No gaps and no vacancies; a solid block. Too few trees; textures and shadows of old tree at 106 show what a humanizing effect large trees have on the severity of the Baltimore row house. A moderate size neighborhood park is scheduled to be built below these houses at 118-134 S. Poppleton where all lots (34-39) have been cleared.
